

**UNITED STATES BANKRUPTCY COURT  
EASTERN DISTRICT OF CALIFORNIA, FRESNO DIVISION  
NOTICE OF HEARING DATES AND TIMES**

**JUDGE W. RICHARD LEE**

Judge Lee does not hold self-set calendars. Any party who needs to file a motion in a case or adversary proceeding assigned to Judge Lee should file and serve all of the moving papers and notify Virginia Guajardo at 559-499-5870, or Jennifer Dauer at 559-499-5879, that the motion has been filed. In lieu of a Notice of Hearing, the moving papers shall clearly state that opposition, if any, shall be filed and served fourteen days after service of the motion. Reply briefs, only if absolutely necessary, shall be filed and served within seven days after service of the opposition. The matter will be deemed submitted upon conclusion of the time for filing the reply. As a general matter, the court will review the pleadings and admissible evidence and determine if a hearing, or further briefing, is necessary. Most matters will be decided without oral argument. Any party who needs an expedited hearing on an urgent matter, such as a discovery dispute or a motion for a TRO, shall file and serve the moving papers and contact Virginia Guajardo or Jennifer Dauer to make appropriate arrangements.
